How to get around

Please ask the personnel at the desk for maps and for more details!

It is not much longer, and sometimes faster, to walk to central city attractions than to ride the bus or trolley. Having said that, there are convenient Municipal trolley bus (№№ 5, 7, 11) and bus (№№ 54, 74, 181) lines next to Hotel Vera, with a stop on the corner of Suvorovsky and 9th Sovetskaya (Moiseenko) Streets.

№№ 7, 11 go all the way to the beginning of Nevsky - Dvortsovy Most (Hermitage), and then across the bridge.

№ 5 turns off Nevsky near the beginning, and goes to St. Isaac Cathedral

№№ 54, 74 go only short way to ploschad Vosstaniya and Moscow RR Station (Subway station).

№ 181 goes on Nevsky and turns on Sadovaya at Gostinny Dvor – this is the area where tour buses begin their routes.

The tickets cost **18 rubles and are sold by a ticket lady (man) on the bus, change is given.**

There may be also Commercial buses, there is a letter K in front of the number on the windshield, like K-350. The tickets are also sold on the bus by a driver, **but cost 26 rubles.**

Subway token is 20 rubles.

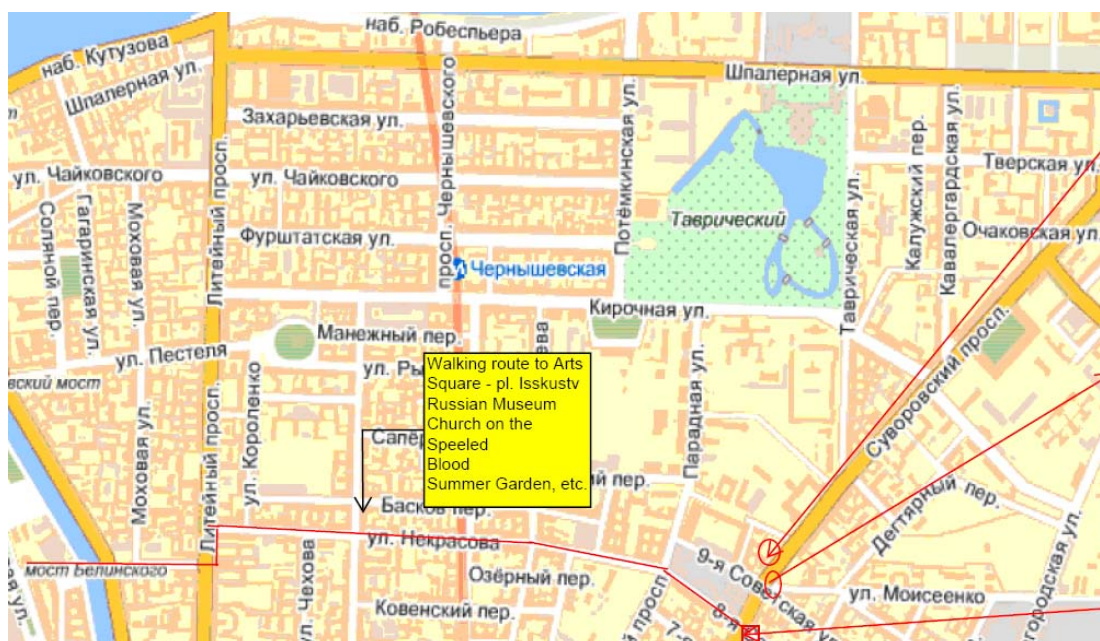

Time to destination varies depending on traffic conditions, but to go to the Hermitage takes a minimum is 15-20 minutes and can sometimes take up to an hour.

The walking distance to Subway at ploschad Vosstaniya is 12-15 minutes, and walking time on the shortest route via 8 Sovetskaya – Nekrasova – Belinskogo to the ploschad Isskustv (Arts Square – the very heart of the main City attractions) is 30-40 minutes.

There is also a brochure that describes the area around the Hotel and outlines some architectural, historical details and interesting walking routes.

A good guided tour around town is on a **City Tour** bus, you can ask for more details and about tickets – at the desk.
